1. Purpose and scope

This Cookie Policy (hereinafter referred to as the 'Policy') explains how Travel Union UAB, company code 305106882, registered at Konstitucijos pr. 7, Vilnius, Lithuania (hereinafter referred to as 'we' or 'us'), uses cookies to recognize you when you visit our Website <https://mytu.co/>, and it details the information collected through cookies and how that information is used.

2. General information about cookies

Cookies are small data files that are placed on your computer or mobile device when you visit our Website. Cookies are widely used by website owners in order to make their websites work, or to work more efficiently, as well as to provide reporting information. With the help of cookies, the Website recognizes the user's device (*e.g., the next time the user visits the same website*) and can be used to determine the user's behaviour and habits on the Internet.

3. Purposes

There are different types of cookies. Some cookies are used directly on our website, other cookies may be used by third-parties, which store cookies in our website. Cookies set by our website are called 'First-party cookies'. Data collected by first-party cookies can be accessed only by us. 'Third-party cookies' are cookies that are placed on our Website by us when we use external services.

Some of the cookies we use are installed on your device only during the browsing session of the Website. These cookies are called 'session cookies'. Session cookies expire automatically when the visitor's session ends and the browser is closed.

Another type of cookie, known as a 'persistent cookie' is a text file that a web server sends to your web browser that is stored by your web browser until it expires (unless you delete it before it expires).

4. The cookies we use

Our Website uses 3 types of cookies:

Category 1: Strictly Necessary cookies

These cookies are essential in order to enable you to move around the Website and use its features. Without these cookies, services you have asked for such as remembering your login details or data provided for a booking cannot be provided.

Category 2: Performance cookies

These cookies analyse the availability, use, or operation of our website to provide you with a better user experience. They also help manage, administer, and continuously improve our website. Performance cookies enable us to better understand our website's visitors, offering the opportunity to enhance content presentation and improve website performance by addressing potential errors.

Category 3: Marketing cookies

These cookies are used to display advertising messages that we believe are relevant to you.
